RE: Mark Alexander

To Whom It May Concern:

I have worked closely with Mark Alexander in the last year, in which he successfully sold 2 of our office buildings in Cape Coral and Fort Myers with a leaseback-type arrangement. Mark is an expert in this area and attends to every detail. Until you really go through the process, you do not realize how complicated the process is, and Mark stays on top of every issue and is able to deal with each and every problem that inevitably pops up during the process. Mark is an expert in this area, and I would strongly recommend him to any physician in Southwest Florida who wants to sell their office building.

Please do not hesitate to contact me if you need any further information.

Yours truly,

William N. Harwin, MD
