President Elect, Florida Society of Ophthalmology

Ref: Mark Alexander, CCIM: Speaker for Carolina Ophthalmology
Symposium

Dear Dr. Fouraker,

We had the pleasure of having Mark Alexander speak at our
September 2008 Carolina Symposium (our state society meeting) in
Hilton Head this year. He provided unique insight for our members on
the workings of medical office sale/leaseback transactions. Our
members were pleased with the information that Mark provided. Mark
has purchased booth space at our meetings for a number of years.

On a personal note, my practice has used his services in the sale of
two buildings. We have been very satisfied with the outcomes.

I recommend Mark Alexander as a speaker for your Florida annual
conference.

Sincerely,

Kurt Heitman, MD
